

TESTIMONY
of the
CONNECTICUT CONFERENCE OF MUNICIPALITIES
to the
CHILDREN'S COMMITTEE
February 3, 2011

CCM is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 93% of Connecticut's population. We appreciate this opportunity to provide testimony to you on issues of concern to towns and cities.

R.B. 6221 "An Act Concerning the Transfer of Educational Credits"

CCM is uncertain as to what circumstances necessitate a statewide mandate that school districts receiving new students notify previous school districts within 2 days of students' new school.

While this is but one proposal, it is one of many proposed this year requiring towns to perform a service differently (or an additional service), resulting in administrative issues.
